

22nd Annual

ROSWELL BRANGUS BULL & FEMALE SALE

Roswell Livestock Auction
Roswell, New Mexico

Saturday - February 23, 2013

Sale Day

Phone

(575) 622-5580

Cattle available for inspection:

Friday February 22, 2013

Roswell Livestock Auction

- Yearling Registered Bulls
- Coming Two-Year Old Registered & Commercial Brangus and Angus Plus Bulls
- Registered Brangus Females
- Apprx 400-500 Commercial Brangus Females, Pairs, Bred and Open

All bred females will be checked by a competent veterinarian before sale. Buyers will have the right to recheck the females at their own expense if they so desire. If any are found not to be bred as called, they will have their money refunded. But, once the cattle leave the auction barn, Roswell Brangus Sale Consignors or Roswell Livestock Auction will not be responsible for cattle that do not have a calf.

Buying Assistance

Mr. Neil Burcham, Livestock Specialist at New Mexico State University will be available Friday and Saturday to assist buyers with their selections. He will also assist buyers who are unable to attend the sale. Call his cell phone 575-496-6375 for honest, unbiased evaluation or buying assistance. All calls and bids will be handled in confidence and with complete honesty.

HARNESS^{THE} POWER^{OF}

HETEROSIS

BUILD A BETTER COW HERD

KEEP YOUR ANGUS PREMIUMS

"A Brangus-Angus cross probably gives you as much heterosis relative to Angus genes as you can extract, because you can get the benefits of Cow Efficiency by making a Taurus-tadous cross."

~Dr. Dan Moser, Kansas State Univ.

International Brangus Breeders Association

On the Ranch:

- ❖ Higher conception rates
- ❖ Environmental adaptability
- ❖ More pounds of calf per cow
- ❖ Fescue Fungus Tolerant
- ❖ Increased Longevity

In the Feedyard:

- ❖ Increased efficiency
- ❖ Added heat tolerance
- ❖ Fewer days on feed

On the Rail:

- ❖ Consistently earn premiums in Angus product lines including CAB
- ❖ Lower yield grades
- ❖ Research proven tenderness

Parker Brangus

The ranch is south of San Simon, Arizona. Our ranch land consists of private, State, BLM and Forest Service allotments.

We run from 6500' to 3600' elevation. We have oak & pine forest to Limestone Mountains down to flat Limestone to alkali Sacaton flood flats on the San Simon River.

Our registered Cows are handled like our commercial cattle, they all run together in the rough terrain of the mountains or down in the desert.

We have been in the Brangus Bull business since 1966.

We started buying our herd bulls at the Roswell Brangus Bull sale in the late 90's and found the quality there to be excellent; at prices we could afford.

I became a partner of the Roswell Brangus sale several years ago and bring bulls that have been born and raised on our ranch.

For more information call:
Larry at 520-508-3505

Grand Champion Brangus Female, 2013 Arizona National Livestock Show. Exhibited by Travis Peterson, San Simon, AZ and bred by Parker Brangus. A daughter of Mr. Townsend Lucky 59/5.

LACK-MORRISON BRANGUS

We like attractive, clean sheathed, heavy boned cattle with square rumps and thick hind quarters. Our cows must raise a calf every year or they are gone. We want our calves to have heavy weaning and yearling weights without excessive frame size.

We have gone to sales all over the country and think the quality of bulls is as good at Roswell as anywhere in the country and the prices are reasonable and real.

Please join us for our 22nd Anniversary Sale!

Champion Junior Heifer, 2013 Arizona Nation Livestock Show. Exhibited by Juan Ortiz, San Simon FFA, Bred by Lack- Morrison Brangus. A daughter of LM Mr. Hawk 802/439.

Comments: A younger bull that is extra gentle and out of one of out best embryo donor cows. 205 day wt. 812

TOWNSEND BRANGUS

We ranch on the 12-mile prairie in southern Oklahoma, which is a lot like the southwest US, except we get a lot more rain. We raise our bulls in the pastures on grass and hand feed them. We cull our bulls three times before we select our sale bulls.

Our main bloodlines are from the Lucky 304 bull that we bought in 1996 at the Roswell Brangus Bull Sale. He was bred and raised by Bill Morrison. He is by far the best bull that I have ever owned. One of his sons was International Champion Bull three times and Show Bull of the Year.

We have since added two more herd bulls from the Roswell Brangus Bull Sale. They are the best bulls I have found and at a decent price that a cow man can afford.

If you are looking for breeding bulls, there is not a better place to buy them than the Roswell Brangus Bull Sale!

For more information call:
Gayland 580-380-1606 or
Steven at 580-380-1968.

FLOYD BRANGUS

We raise our cattle in the eastern foothills of the Sacramento Mountains west of Roswell. Our country is mostly steep slopes, is all very rocky and is covered with cactus. We started our registered Brangus herd in 1971 with a group of heifers purchased from Glaze Sacra. We used sons of WSR Cloud 942, Champ 533, Rocky Joe 650 and PW Georgie Boy 320. Their offspring is the basis of the herd today. We select for fertility, feed conversion, and the ability to travel in rough country. It also helps to be long, thick and have a good hindquarter. Thank you for your past support of the Roswell Brangus Bull Sale, and I hope to see you for many more.

For more information call:
Troy at 575-734-7005

**DON'T HIDE FROM
THE FACTS!**

With the high cost of inputs in the cow business today it is more important than ever that your cattle be efficient and maintain high quality. **BRANGUS** cattle will help you accomplish this.

Buy your seed stock from people who make their living with their cattle, and you will get cattle that help you make a living.

**Junior Brangus Exhibitors at the 2013
Arizona National Livestock Show**

IDENTIFICATION

Each animal sells with a legible brand or tattoo corresponding to its registration.

ANNOUNCEMENTS

Announcements from the auction box will take precedence over the printed matter in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

BREEDING GUARANTEE

All animals are guaranteed to be breeders with the exception of: (1) injury or disease occurring after the sale; (2) negligence or willful misconduct of the part of the purchaser. Any female is considered a breeder if she is pregnant at the time of the sale and/or has a calf at side. Any bull which either (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals; or (4) settles cows by natural service and passes a fertility test made by a competent veterinarian during any six month trial, shall be considered breeder.

TERMS AND CONDITIONS

Except for those stated in the below terms and conditions, there are no warranties, either expressed or implied as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction. The warranties and guarantees set forth in the "Terms and Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party through buyer, for any breach of warranty or guarantee therein provided and all other obligations or liabilities.

BIDDING

Each animal will be sold to the highest bidder without reserve. The auctioneer in charge will settle any disputes as to bids and his decision shall be final.

TERMS

Terms of the sale are cash or check. Settlement must be made to the clerk at the conclusion of the auction.

CERTIFICATE OF REGISTRY

When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser of all registered animals. Give full name and address to the secretary when making payment so the certificate of registry will be transferred properly.
